

EQUAL EDUCATION OPPORTUNITIES

It shall be the policy of the Red River Parish School Board that the school district shall place an equal emphasis upon the nondiscriminatory provision of educational opportunities for children. No person shall be excluded from participation in or denied the benefits of any educational service, program or activity on the basis of economic status, intellectual ability, marital status, race, color, disability, religion, creed, national origin, age, or sex. All programs offered by schools within the school district shall be open to all students in compliance with statutory and judicial requirements.

The Superintendent or designee shall investigate any and all complaints which may be brought against the district in regard to any alleged discriminatory action. Grievance procedures to provide for prompt and equitable resolution of student complaints shall be the same as those used for employees.
